25X1 MEMORANDUM FOR:
Chief, Intelligence Producers Council

25X1 FROM:
Director of Training and Education

SUBJECT: Request for Funding of OTE-Harvard Program Through
IPC's Production Enhancement Initiative

The Acting DCI has directed OTE to launch a new initiative with the Kennedy School of Government at Harvard University to enhance the knowledge of personnel in the intelligence/policymaking area. I request that the Intelligence Producers Council, through its Production Enhancement Initiative Program, fund this important new program. The attached application summarizes the program agreed to by OTE and the Kennedy School and discusses how Intelligence Community personnel--mostly DI managers and analysts--will benefit by participating. I believe that the overall program will provide a mechanism through which Intelligence Community personnel will increase their mutual contacts on a regular basis and take back to their jobs a clearer understanding of how to support foreign policymaking.
